

09:00	Registration and coffee	
10:00	Opening session <ul style="list-style-type: none"> • Welcome, M. Malacarne (European Commission, Director - Coordinator for the aerospace, defence and security industry, DG Enterprise & Industry) • Concept of Space^{EU}, A. Klein (German Aerospace Center - DLR, NCP Space, COSMOS Coordinator) 	
10:30	European Commission's Space activities <ul style="list-style-type: none"> • R. Schulte-Braucks (European Commission, Head of Unit "Space Research & Development") • M. Facchini (European Commission, acting Head of Unit "GMES Bureau") • M. Bosco, (European Commission, Deputy Head of Unit "EU Satellite Navigation Programmes") • P. Breger (European Commission, Unit "Space Research & Development") 	   
11:45	ESA's Space activities E. Williams (ESA, Head of Technology Harmonisation Section) <ul style="list-style-type: none"> • Part 1 • Part 2 	 
12:45	Lunch Break	
13:45	EU member states session: Major National Space Programmes <ul style="list-style-type: none"> • France, R. Bonneville (CNES, Deputy Director for Strategy, Programmes and International Relations) • Germany, G. Gruppe (German Aerospace Center - DLR, Member of the Board, Head of Space Administration) • United Kingdom, C. Mealing-Jones (UK Space Agency, Director Growth, Applications and EU Programmes) • Italy, C. Cirina (Italian Space Agency - ASI, responsible of EU affairs office) • Spain, J. Lomba (CDTI, Head of Industry for Science and Space Department) 	    

15:00	<p>European Space Industry session</p> <ul style="list-style-type: none"> • Overview of EU Space industry / research, <i>J.-J. Tortora (Eurosace, Secretary General)</i> • Astrium, <i>B. Serreault (R&T Vice-President)</i> • Telespazio, <i>V. Fogliati (Head of European Union Relationship / Financed Research Dept.)</i> 	  
15:50	<p>Coffee Break</p>	
16:20	<p>European Space Industry session (cont.)</p> <ul style="list-style-type: none"> • OHB, <i>A. Bories (Senior Vice President Strategy and Business Development)</i> • RUAG, <i>D. Fürst (Vice Director International Relations)</i> • Safran, <i>A. Souchier (Space Technologies Advisor)</i> • SES, <i>C. Leurquin (Vice President Institutional Relations)</i> 	   

<p>17:30</p>	<p>FP7 countries' Space activities, <i>moderated by U. Bobinger</i></p> <ul style="list-style-type: none"> • Austria, T. Geist (FFG/ALR Austrian Research Promotion Agency/Aeronautics and Space Agency)  • Bulgaria, K. Milenov (Bulgarian Information Office for GMES)  • Czech Republic, J. Kolar (Czech Space Office)  • Lithuania, D. Brucas (Space Science and Technology Institute)  • Poland, M. Banaszekiewicz (Space research Centre)  • Portugal, J. Romana (Foundation for Science and Tecnology - Ministry of Education and Science)  • Israel, N. Mandelblit (ISERD – Israel Europe R&D Directorate for FP)  • Romania, A. Costea (ROSA - Romanian Space Agency)  • Turkey, A. Koru (TUBITAK - The Scientific and Technological Research Council of Turkey)  • Belgium, D. Fonteyn (Belgian Science Policy Office)  	<p>Successful FP7 projects, <i>moderated by P. Breger (European Commission)</i></p> <ul style="list-style-type: none"> • Geoland2 / Safer (GMES core service), D. Hello (Astrium Geoinformation Services)  • Sirius (GMES Downstream Service), A. Osann (Universidad de Castilla la Mancha) <ul style="list-style-type: none"> - Intro  - Timeline  • Deorbitail (Space Transportation; Security of space assets from on-orbit collisions), V. Lappas (Surrey Space Centre)  • Affects (Security of space assets from space weather events), V. Bothmer (Georg-August University Goettingen)  • Ulisse (Space Science), L. Carotenuto (Telespazio)  • Rastas Spear (Space Exploration), A. Pisseloup (Astrium)  • Smartees (Space Technologies), J. Marcos (Tecnalia) 
<p>19:15 - 21:15</p>	<p>Walking Dinner presented by SES</p>	

08:30	Registration and coffee	
09:00	Non-FP7 Space faring nations session <ul style="list-style-type: none"> • USA, J. Cohen (NASA Ames, Chief Scientist ISS Utilization Office)  • Russia's Institutions for Innovative Development in the Space Field, <ul style="list-style-type: none"> - Y. Makarov (Roscosmos, Head of Strategy Planning Directorate); I. Kosenkov (Roscosmos, Space NCP)  - D. Payson (Skolkovo Foundation - Space Cluster, Director of Development)  • Japan, S. Araki (JAXA, Director of JAXA Paris Office)  • China, M. Zhang (China Academy of Space Technology, Director International Relations)  • Ukraine, O. Fedorov (Director of Space Research Institute)  • Canada, L. Beauchamp (Canadian Space Agency, Senior Manager International Relations)  • South Africa, D. du Toit (South African Department of Science and Technology)  • Nigeria, G. I. Agbaje (National Space Research & Development Agency, Director Mission Planning & Data Management) - <i>not held</i>  	
11:10	<ul style="list-style-type: none"> • The New CORDIS Partner Search Portal, S. Robinson (CORDIS Partnersearch c/o Publications Office)  	
11:15	Coffee Break	
11:45	Matchmaking session A: Space based services & applications , moderated by M. Jochemich (DLR) <ul style="list-style-type: none"> • Petr Bares, Czech Space Alliance  • Klaus Becher, Knowledge & Analysis LLP  • Domantas Brucas, Space Science and Technology Institute - <i>not held</i>  • Angelo Dalli, Charonite  	Matchmaking session B: Space Foundations , moderated by U. Bobinger <ul style="list-style-type: none"> • Miguel Aguirre, University of Sevilla  • Alim RUSTEM, ASLAN Istanbul Technical University  • Matej Balazic, Balmar d.o.o.  • Domingos BARBOSA, IT/Instituto de Telecomunicações 

Session A: applications

Session B: SSF

<ul style="list-style-type: none"> Ulrike Daniels, Anwendungszentrum GmbH Oberpfaffenhofen  Klaus Debes, Astrium Services - not held  Sotirios Diamantopoulos, Space Internetworking Center (SPICE)  Mark Dumville, Nottingham Scientific Limited (NSL)  Nuno Duro, Critical Software SA  Daniel Fainsod, LMY R&D Ltd  Oleh Fedorov, Space Research Institute  Avi GAL, Gilat Satellite Networks Ltd.
