22nd of March 2017 Wednesday 10:00 - 14:00
23th of March 2017 Thursday 10:00 - 14:00

Invitation to
Matchmaking Event for the Agricultural Machinery and Field Technologies simultaneously held on 15 International KONYA AGRICULTURE FAIR on 21-25th March 2017

@Konya KTO TUYAP Fair Area Selçuklu Conference Hall
<http://www.b2match.eu/b2konya-agri-2017>

KONYA AGRICULTURE FAIR 2017 - 21-25th March 2017 is a international matchmaking business-to-business event offers important opportunity to agricultural machinery clients from EU member states and also dealers from all over the world.

Participants will have chance to meet their potential business and technology partners through pre-arranged B2B talks in Konya/Turkey to lead commercial technology and research co-operations.

Konya province has the biggest farming lands in Turkey in the meantime hosts the leading Turkish Agricultural Tool & Equipment & Machinery companies,dealers and manufacturers of the country.

The event is embedded in the Turkey's leading international agriculture fair KONYA AGRICULTURE FAIR 2017 -Agricultural Machinery,Field Technologies which takes place between 21-25th March 2017 at Konya Tuyap KTO International Fair Area,Turkey.

The main target of the fair will be to present the latest technologies and trends in the agricultural mechanisation field in Turkey therefore contributing to the process of EU membership by strengthening the agricultural ties, while Konya has always been the agricultural production and agro-mechanisation center of all Turkey.

B2BKONYA-AGRI-2017 is the 6th anniversary of B2B meetings realised at Agriculture Sector in Konya

WHO SHOULD ATTEND?

The event addresses representatives from the agricultural mechanization and field technologies willing to find crossborder cooperation partners: manufacturers,distributors, subcontractors, dealers,licensees, technological partners, service providers. The event is also a platform for exchange on current developments, technologies and innovation of agricultural machinery field in Turkey and once-a-year occasion to meet Biggest Actors of Turkish Agro-Market.
