by Lucia Seel, Global Communication and Content Manager, European Cluster Collaboration Platform

🕒 10.10-10.30

Introduction to two International Cluster Labs

Two different Cluster Labs will be offered to the participants. One will focus on building up new partnerships among the participants interested in joining common EU projects. The other will focus on a new tool for building up competences on strategic internationalisation of the clusters. So be ready for more work, for personal engagement and for increasing your competences. Short introductions to the International Cluster Labs:

Pitch on International Project Lab: New Ideas and Partnerships for Collaboration

by Simon Poulsen, Coordinator, Enterprise Europe Network

Pitch on International Cluster Strategy Lab: New Tool for Strategic Internationalisation of Clusters

by Kaspar Nielsen, Internationalisation Manager, Cluster Excellence Denmark

🕒 10.30

Coffee Break

🕒 10.45

Two Parallel International Cluster Labs

At the International Project Lab you will develop and co-create your own new projects.

At the International Cluster Strategy Lab on the tool for cluster internationalisation two inspirational talks will support the presentation and testing of the tool:

by Anna Maaßen, Manager International Affairs, Hamburg Aviation

by Karen Lindegaard, Program Manager, Welfare Tech

🕒 12.45

Closing of the Conference and Passing the Torch to Baden-Württemberg

🕒 13.00

Light Lunch
