Cluster-to-Cluster Conference, Warsaw September 20th 2016

Annual Cycle

WelfareTech.dk

Focus area: Internationalisation

- Mission (for internationalisation)
- Vision (for internationalisation)
- Delimitation: geography and activity

Focus areas (Internationalisation):

1. Cooperation with International Clusters
2. Participation in International Projects
3. Support the participation of companies in export delegations (adding value by offering pre-delegation market seminars, and post delegation facilitation of export networks for companies)
