

3rd

International CytoSorb Users' Meeting

March 14th 2016 - Hotel Marivaux, Brussels

CytoSorbents™

3rd International CytoSorb Users' Meeting

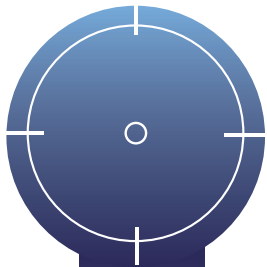

Dear CytoSorb user,

We are pleased to invite you to our 3rd International CytoSorb Users' meeting on March 14th 2016 in Brussels! Just one day before the start of the 36th ISICEM - as last year - we would like to update you on the latest scientific findings, first study results and case series from various indications. Again, the focus will be on giving you first-hand insights into clinical experiences with CytoSorb in various application fields.

For this 3rd Users' Meeting we prepared a novelty for you: individual bilateral meetings! Our objective is that you draw the most out of participating in this event, so meet those physicians for a short talk during the day that have already made specific experiences in applying the CytoSorb therapy or whom you wish to ask a certain question. You can book your meetings easily online and you will receive your individual schedule before the meeting.

We are looking forward to meeting you in Brussels!

Your CytoSorbents Europe Team

Panelists: J Kellum, A Grootendorst, AC Deppe

6:15 pm

Closing remarks

P Chan, CEO CytoSorbents Corporation

Bilateral meetings

8:00 pm

Dinner

NEW: One-on-one meetings

You can book your bilateral meetings with other participants (physicians or CytoSorbents representatives) as soon as your registration is done, but you can also be asked for bilateral talks by other participants.

Those short talks will take place during the breaks so that you won't miss any lecture. A few days before the event you will receive your personal meeting schedule including the time and who you are going to meet.

Registration & information

Please register online for your participation at the users' meeting and your bilateral talks until **March 1st 2016** on

www.b2match.eu/cytosorbusersmeeting2016

You are welcome to contact us for any further information:

Venue

Nearly 90 years ago, the Marivaux Hotel was one of the finest cinemas in Brussels. Today it is a tastefully renovated hotel in a contemporary style. With its location in the heart of Brussels, the Marivaux is situated within walking distance of the Grand Place and the Square - Brussels Meeting Center, where the 36th ISICEM will take place.
