Sustainable food security

**SFS-06-2018 Stepping up integrated pest
management: A – Decision support systems**

Dr Laura Davies

ADAS

www.ncp-biohorizon.net

BioHorizon project is funded by the European Commission - Grant Agreement no. 652637

ADAS provides ideas, specialist knowledge and solutions to secure our food and enhance the environment.

<http://www.adas.uk/>

Crop protection, horticulture, modelling & informatics, soils, physiology, and policy.

SFS-06-2018 Stepping up integrated pest management: A – Decision support systems

1. Create a European IPM DSS platform
2. Develop extensions and protocols for existing and future DSS
3. Address constraints on uptake of decision tools
4. Establish a long-lasting, Europe-wide IPM network of translational scientists, farmers and agronomists

Existing consortium: UK, France, Denmark, Norway, Sweden, Greece, Finland

Expertise sought: Web design, verifiers of DSS for climatic regions

IPM, DSS, Farming, Food, Environment
