IMPACT at NILU

www.ncp-biohorizon.net

BioHorizon project is funded by the European Commission - Grant Agreement no. 652637

- NILU is a world leader in environmental chemistry
- Have key staff in environmental forensics
- Have members in CEN TC's inc bio-based products
- Have developed standards for provenance, assessment, certification, audit and dissemination
- Have extensive experience with LCA and MFA of bio-based materials *cf* petrochemical products
- Have considerable experience of EU projects

We are interested in participating in:

- Bio-based product development and audit
- Real-world LCA and MFA (not just CO₂)
- Waste-mining
- PEF (Product Environmental Footprint)
- Dissemination and standards
