Session 2: Health-related topics (ICT, SSH, Food Security, Climate, Cybersecurity)

Title: Social Care linked to innovation in Health

Name: Marga González

Organization: Public Body

Gerencia de Servicios Sociales de Castilla y León

Project idea / Company expertise

Expertise #1:

SC1-DTH-10-2019-2020. Digital health and care services. Pre-commercial Procurement

Objective: To procure the development, testing and implementation of digital services and communication concepts that can facilitate the transition to integrated care models across health and social services and country-specific cross-institutional set-ups, including decentralised procurement environments and collaboration across institutions.

Our role: public procurer

Co-operation sought: public procurers, umbrella leading organizations

Expertise: ongoing Project **ICT Platform for Integrated Social and Health Care oriented to chronic patients and persons with disability** Info: [website](#)

- Co-funded by Spanish Ministry of Economy and Competitiveness through ERFD funds
- In partnership with the Health Regional Public Body in Castilla y León, SACYL <https://www.saludcastillayleon.es/es>

Project idea / Company expertise

Expertise #2:

SC1-DTH-11-2019: Large Scale pilots of personalised & outcome based integrated care

Objective: Deployment of trusted and personalised digital solutions dealing with Integrated **Health and Social** Care, with a view to supporting and extending healthy and independent living for older individuals who are facing permanently or temporarily reduced functionality and capabilities.

Our role: pilot design & development (test-trials implementation in real context, end-users organization, Living-lab approach), social & ethical approach

Co-operation sought: ICT developers, umbrella leading organizations

Expertise: ongoing Project **Wellbeing and Health Virtual Coach for behaviour change, WellCO**

Funded by H2020.SC1-PM-15-2017. Personalised coaching for well-being and care of people as they age

Who we are

Gerencia de Servicios Sociales de Castilla y León, GSS, is the **autonomous public body** under the Regional Ministry for Family and Equal Opportunities, being responsible for the design, planning and management of the entire **Social Services System of the Spanish Region of Castilla y León**.

FASTCyL is a public foundation,

linked to GSS, aiming to social care as well and fostering participation of GSS in EU funded projects

Both are active in European Projects related to innovation in social services and social&health care.

**EU Programme for
Employment and
Social Innovation
(EaSI)**

**PROGRAMA
COOPERACIÓN TRANSFRONTERIZA
ESPAÑA ~ PORTUGAL**
