WHY DO YOU NEED VISCOTEC?

Development

Environment

Technical

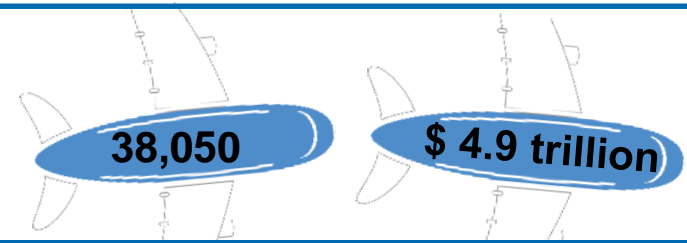

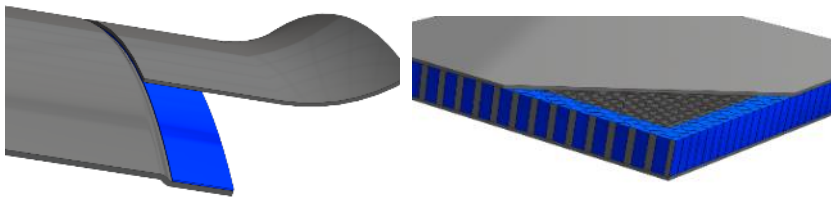

Economic

Trend

- Bonded connections
- Lightweighted materials

- Improved Supply Chain
- Hands-on to Automation

Example

WHAT IS VISCOTEC'S EXPERTISE?

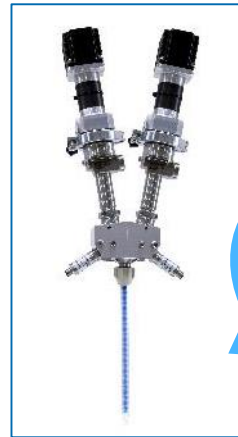

High viscosity

Emptying

Dosing

reliable
and on-
demand

Gentle handling

Treating

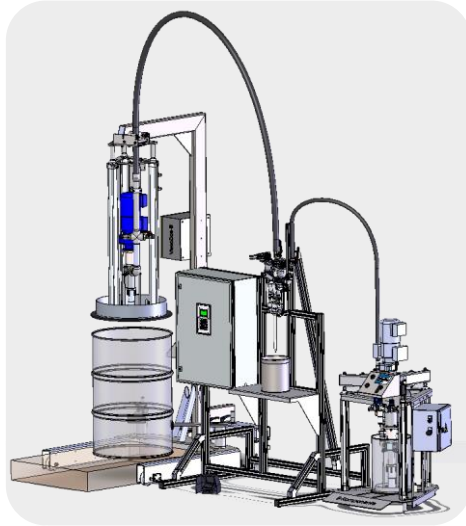

VISCOTEC's
ENDLESS PISTON PRINCIPLE

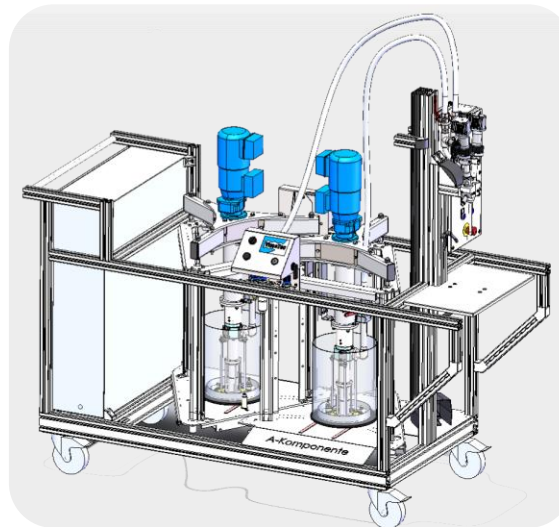

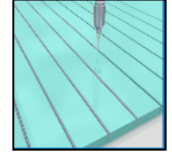

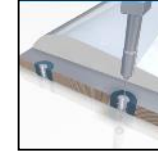

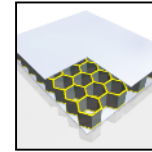

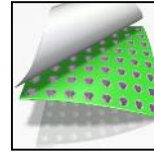

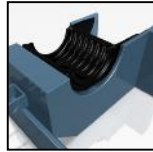

A simple principle – a great effect

VISCOTEC'S REFERENCES

Mix-on-demand

Mobile shimming

Mobile sealing

AT A GLANCE –

WHY THE WORLD NEEDS VISCOTEC:

- Majority of materials difficult to process
- ViscoTec has experience in this industry
- System integrates well into aut. environments
