## introduction

The 7<sup>th</sup> Edition of **Murcia Food Brokerage Event 2015** will present the latest creations in the field of food technology, providing companies from different European countries with an excellent opportunity to hold bilateral meetings aimed at establishing technology cooperation agreements.

## parallel events

A number of conferences and presentations will take place within the **7<sup>th</sup> International Symposium on Food Technology**, in which the latest creations in the sector are presented.

The **III Prospective Technology Forum** will be held on the second day, important institutions and companies presented the trends and foresight in their respective fields.

## organization

**Murcia FOOD Brokerage Event** is a free event organized by the Regional Development Agency of the Region of Murcia (INFO) and the School of Industrial Organization (EOI), and it will be co-financed by the European Regional Development Fund (ERDF) and the Ministry of Industry, Energy and Tourism. It is organized in the Enterprise Europe Network EEN SEIMED framework.

Murcia Food Brokerage Event is organized in collaboration with AINIA (Agrofood Technology Institute) and the Food and Canning Technology Center.
