

Horizon 2020 Secure Societies European Info Day and
Brokerage Event

Brussels , 6-7 March 2017

S21sec

Daniela Coutinho

Daniela.Coutinho@sonaeim.com

Description of the Organization

- **S21sec is a pure-play Cyber Security company, with Innovation driving its business. Our company is involved in the full cycle of cybersecurity.**
- **Founded in 2000, having been recognised in that year with the McKinsey Start Up Award.**
- **S21sec launched Europe's first R&D security center in 2006.**
- **It has also been the first Spanish company signing a Memorandum of Understanding with Europol for the fight against cybercrime and first Spanish private CERT (Computer Emergency Response Team).**
- **S21sec has joined, as a founding member, the European Cybersecurity Organisation (ECISO).**

Description of the Organization

- The company has been **working extensively on EU and national projects** that contributed to the development of leading-edge insights, products and services.
